AN AWARENESS PROGRAMME

on

“BREAST CANCER SIGNS AND SYMPTOMS”

REPORT

EVENT DATE: 05-12-2019

VENUE: Thoppukkollai Muhaam

ORGANIZED BY : NSS Unit

NO. OF NSS VOLUNTEERS PARTICIPATED: 20

NO. OF BENEFICIARIES: 48

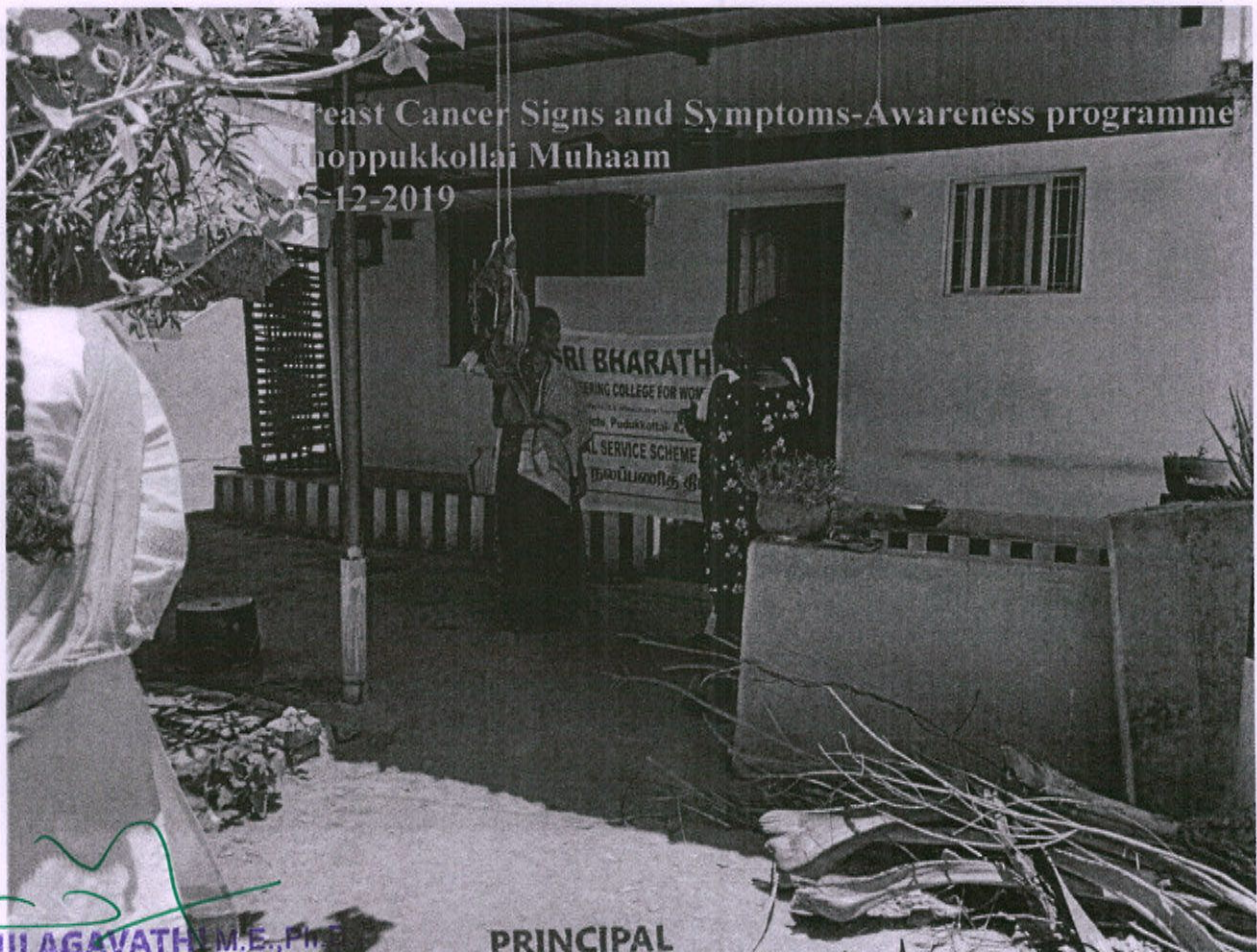

“Breast Cancer Signs and Symptoms-Awareness programme” was conducted on 05th December 2019 in Thoppukkollai Muhaam. Our students of SBECW shared the causes and effects of Breast cancer to the village people. They insisted that Breast cancer is not a transmissible or infectious disease. Breast cancer most commonly presents as a painless lump or thickening in the breast. It is important that women finding an abnormal lump in the breast should consult a health practitioner without a delay of more than 1-2 months even when there is no pain associated with it. Seeking medical attention at the first sign of a potential symptom allows for more successful treatment. 20 NSS Volunteers and Faculty members participated in the program.
