NO. OF BENEFICIARIES: 42

"Obey Traffic Rules and Signs-An Awareness Rally to Prevent Accidents" was held at Kaepparai Village on 4th August 2018. Since road deaths in India are significantly more common than murders, so our students raised public awareness for this issue. People don't adhere to traffic laws or safety protocols while driving. Our students stressed the necessity of traffic rules and regulations to the general public because the majority of accidents were caused by drunk driving, triple loading, using a phone while driving and riding without a helmet or seatbelt. 21 Students of NSS Volunteers got participated.
