Madam,

I am writing to address a matter of serious concern that has come to our attention regarding your overall performance as a faculty member. It is the collective responsibility of every faculty member to ensure that we offer the best possible education to our students.

Upon reviewing your performance in various areas, we have identified several areas that have consistently fallen below the expected standards. These areas encompass your academic results, research productivity, limited involvement in professional activities and minimal participation in workshops, seminar etc.

In this connection you are informed to attend the counseling meeting with your HoD on 09.12.2019, in the principal's office.
