VISION

To accomplish the vision of Tamil Poet MAHAKAVI SUBRAMANIYA BHARATHIYAR Sri Bharathi Engineering College for women obliged "To Empower Women as Intellectual, Valued Human, Ethical Engineer through Outcome Based Education to serve the society in the right path".

MISSION

Our Institution Strive to attain the following Mission statements in order to achieve the Vision of Sri Bharathi Engineering College for women,

- To create conducive atmosphere for Active Teaching and Learning process by adopting Outcome Based Education to turnout an Intellectual Women Engineers.
- To impart value based Education to become Valued Human and professionally groom as Ethical Engineer in the field of Engineering and Allied Areas.
- To inculcate R&D activities in recent engineering and emerging areas to address the day to day issues faced by the society.
- To practice lifelong learning and empowering women students to serve the society as learned person.

ABOUT OUR INSTITUTION

Since ancient years, Indian women were kept submerged in all the aspects, both inside and outside of their residence. As years passed, there comes freedom in ascending powers to women in many aspects such as education, work, house and so. Nowadays, women are empowered in many challenging tasks. This context paved way for inception of Sri Bharathi Engineering College for Women, the first college started only for women in Pudukkottai, is named after the famous poet and freedom fighter, Bharathiyar, as he fought for women freedom. This college is started in rural area by Sri Bharathi Educational Trust, in the year 2009, mainly to inculcate quality education for rural women. It is located at about 6 Km from Pudukkottai on the Pudukkottai-Aranthangi Road, near Kaikkurichi. This college is approved by AICTE, New Delhi and affiliated to Anna University, Chennai.

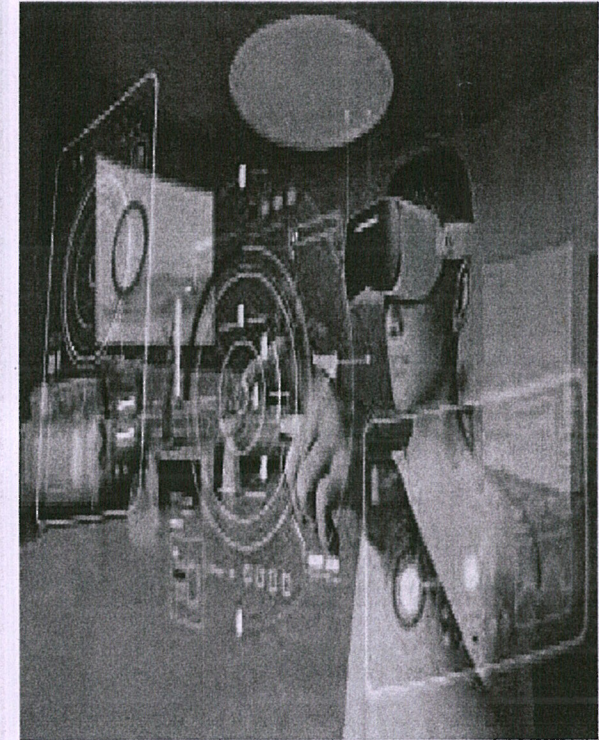

SCOPE OF THE FDP

Faculty Development Program are being offers to explore the wonders in the area of various engineering fields in the present millennium. It is therefore necessary for the researchers, academicians, and other engineering professionals to keep abreast with recent developments so that they could effectively contribute to the national developments. The FDP on Cutting Edge Technologies in Engineering and Research aims at highlighting some of the latest trends and to create an awareness and exposure in multi-disciplinary engineering domain and to induct them to fulfill with their technical skills and abilities. It also provides the premier interdisciplinary forum to scientists, engineers and practitioners to present their latest research results, ideas, developments and applications in all areas of Research & Engineering. This will help tremendously for a good reputation in high level scientific circles across our nation

FIVE DAY FACULTY DEVELOPMENT PROGRAMME

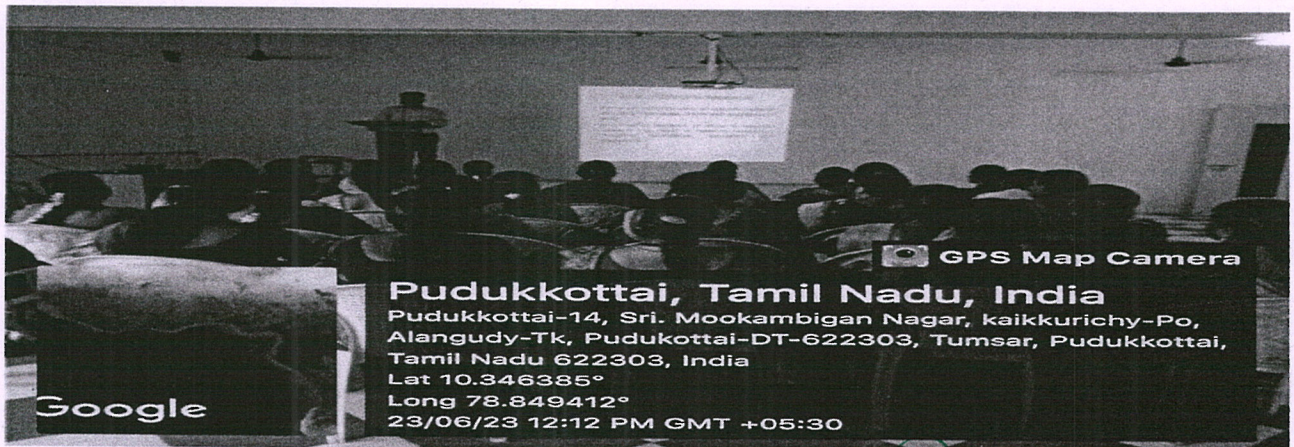

on

CUTTING EDGE TECHNOLOGIES IN ENGINEERING & RESEARCH

EVENT DATE : 12-06-23 to 16-06-23
VENUE : Seminar Hall
NO. OF PARTICIPANTS : 43
ORGANIZED BY : Department of Electronics and Communication Engineering

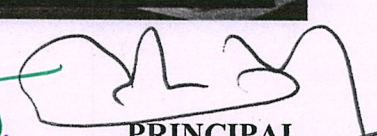

The Department of Electronics and Communication Engineering organized a five-day Faculty Development Program (FDP) on "Cutting Edge Technologies in Engineering and Research" at Seminar Hall on 12th June 2023 to 16th June 2023. The Resource persons were Dr.N.Krishnaraj, Assistant Professor Senior grade, Vellore Institute of Technology (VIT), Vellore, Dr.K.Balaswamy, Assistant Professor Level III, Bannari Amman Institute of Technology (BIT), Sathyamangalam, Dr.M.Meignanamoorthy, Founder & CEO, Mech Tech Foundations, Pudukkottai.

The primary objective of the FDP was to provide educators with insights into the latest advancements and trends in research, fostering a platform for knowledge exchange and professional growth. The FDP commenced with an inauguration ceremony that was graced by the presence of our esteemed Chief Guest, Dr. N. Krishnaraj, Assistant Professor, Senior Grade, Department of Database Systems, School of Computer Science and Engineering, Vellore Institute of Technology, Vellore. His vast experience and expertise in the field added prestige to the event. The ceremony began with the welcome addresses and introductory session. The FDP featured hands-on experience on IOT mobile robot control using smart phone and web browser, sensor data monitoring using cloud service, IOT device controlling using web browser etc., and a panel discussion involving both the guest speaker and participants. These interactive sessions provided an opportunity for participants to develop deeper into the topics. The FDP was concluded with a valedictory session and a vote of thanks to all the dignitaries, speakers, participants, and the organizing team for their contributions to making the event successful.

Two Days Administrative development Programme

on

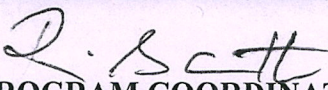

ART OF HUMAN LIVING IN CURRENT SCENARIO

EVENT DATE : 20-12-22 & 21-12-22
VENUE : Seminar Hall
NO. OF PARTICIPANTS : 65
ORGANISED BY : Department of Science and Humanities

The Administrative Development Program (ADP) on "Art of Human Living in the Current Scenario" was organized by the Department of Science and Humanities on 20th & 21st December 2022. The event aimed to provide educators with insights into the complexities of modern human life and equip them with strategies to navigate these challenges effectively. The ADP also emphasized the importance of holistic education and personal development.

The program commenced with a formal inaugural session. Mr. Joel, District Youth Officer, Nehru Yugavendra & Prof. S. Viswanathan Joint Secretary, Indian Red Cross Society, Pudukkottai graced the occasion as the Resource Person. He delivered an insightful keynote address on the relevance of understanding human behavior and emotions in the context of the current scenario. He emphasized the need for educators to guide students not only academically but also in terms of emotional intelligence and life skills. Participants engaged in interactive discussions after each session, sharing their perspectives, experiences, and ideas. These discussions provided a platform for cross-learning and the exchange of innovative approaches. Finally the program concluded with a valedictory session, during which participants shared their key takeaways and insights gained from the program.
