

SRI BHARATHI ENGINEERING COLLEGE FOR WOMEN

(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai-25)

Kaikkurichi, Pudukkottai, Tamil Nadu – 622 303, India

REPORT OF THE PROGRAM

1	Program Name	Research Methodology Workshop on “New Management Techniques – Edutainment Method”
2	Date of program	01.09.2018
3	Resource person	Er.A.Prasanth, Research Associate, Irrigation Management And Training Institute (IMTI), Trichy.
4	Participants	39 Students
5	Objective of program	To make comprehensive understanding of edutainment and its potential to revolutionize engineering education. To know the concept of edutainment as a tool to motivate and making the learning more effective. To learn about a role of immersive technologies in engineering education.
6	Program description	The program started with a welcome address by Ms. R. Manju, HoD/Civil . 39 students were attended the workshop. The resource person explained the concept of edutainment and its significance in modern education. He incorporated, hands on activities and interactive exercises, demonstrated the power of active participation in the learning process. He also explained how to improve comprehension and retention educational content. In the afternoon session, he discussed the integration of cutting edge technologies, such as Virtual reality and augmented reality in to engineering education. The session ended with a vote of thanks by Program coordinator Mrs. P. Dennis Flora, AP/Civil .
7	Outcome of this program	Students will be able to Understand the edutainment method and its application in Engineering field. Acquire practical knowledge and strategies for implementing Edutainment techniques in Engineering. Use the latest technologies and their relevance in Engineering education.
