Youth Red Cross club has conducted an awareness program for “Data Privacy and Protection” on 28th January 2022 in Vallanaadu village. Students shared that the purpose of Data Privacy was to raise awareness for data protection. The initiative originally focused on raising awareness among businesses as well as users about the importance of protecting the privacy of their personal information online, particularly in the context of social networking. The students also shared the different ways to protect our data. Faculty members also participated in the program.
