Carrier guidance programme was organized to Kalanivasal Government Higher Secondary School Students on 20th April 2022 in Andakulam. Our students and Faculty members shared the importance of education and higher studies to the school students. They explained about various courses and also clarified the doubts asked by students. One key aspect of orientation is to set clear goals for the students. Students should think about their passions, strengths, and long-term aspirations to choose a field of study that aligns with their ambitions. Our Faculty also discussed about preparing for JEEE , NEET etc.,
